

# Speed Booking

In this variation Students introduce a Book they have read to prospective Dates (readers).

Have the class arranged in pairs or groups. Some Books might be confident enough to introduce themselves to the rest of the class.

You might also want to share the CANITBEFORMe? Pneumonic (see Printables) before the activity.

Give the Book one minute to introduce themselves to their Date(s) and then provide time for the Date(s) to ask questions of The Book. You might want to help out with some sample questions.

There might be competition among the Dates as to who will be the next to read the Book.

You might also want to give students an evaluation card to fill in for The Book based on the CANITBEFORMe criteria.

Variation: Have Book read an excerpt from itself as its introduction to its Date.
